

How to download a draft copy of your application.

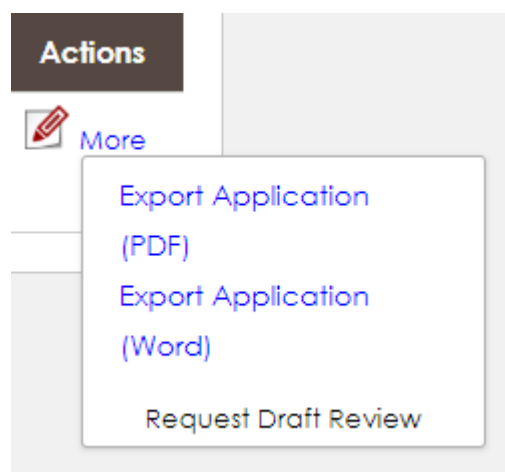

1. Login to Online Grants
2. Click on Edit/View Applications in the centre of the screen

3. Find the application you want to download and, under Actions, click on More

4. You will find a dropdown menu with options to export your application as a PDF or Word document. Select which suits you.

5. If you choose Word, you can then edit this document and use it to cut and paste your answers when you are ready to apply.
