Section 5: Successful Grant Recipients

Discipline: Digital Arts **\$11,407**

Astrid Peirce **\$11,407**

Photo Stories Community Project

Photo Stories Workshop is a two-hour photography workshop which teaches adults and children from rural communities how to tell a story with pictures. Community members are then given a one-month project of photographing one themselves.

Throughout the project, guidance, feedback and inspiration is given via a closed Facebook group and the end result is a community exhibition and multimedia presentation. Community stories photographed by the locals themselves.
